Product care and maintenance

For cleaning the surface of the laminates, use dry cloth to wipe the stains. If needed can use ordinary liquid detergent (non-acidic) or ammoniated liquid. After taking a trial on small portion Stain remover or Industrial organic solvents can be used to remove stubborn stain in case if there is no problem. One should not use, wire or hard-plastic brushes, and abrasives to clean this surface.

AESTHETICS/ COLOUR / SHADE may vary from lot to lot. Inspect properly before cutting, alternating or pasting the laminates. Company is not liable for color / Shade variations.

Since, Designer Door Laminates are made interior decorations, should not be used for external use where there are chances for direct exposure to sunlight or any other sort of direct heat.

It is always recommended to keep the substrate horizontal while pasting the Laminates. Immediate removal of pressure and vertical application should not be practiced.
